This three bedroom house is perfect for a young couple or little family. The three bedrooms vary in size and can be arranged to your preference, whether to use it as office-space with remote working becoming the order of the day, a study, or a bedroom. All three rooms are on the second story of the house.

Both bathrooms are upstairs, the main bedroom has an en-suite bathroom with a shower and the second bathroom offers a bath & shower option.

Space is offered with an open plan living & dining area, leading out onto the back patio where some sunny rays welcome you in the sunny seasons. The dining area is equipped with a cosy fireplace, perfect for Winter days when the season changes.

The kitchen is fitted with marble and also has a door leading out into the little back yard.

Single garage. We regret, no students.
