Anna Basson Properties Stellenbosch offers a secluded mountain retreat in the heart of the Stellenbosch Winelands overlooking Simonsberg and surrounding mountains. Situated on the higher slopes of Botmaskop this “retreat” boasts a well thought out urban-layout and -design.

Build your dream home within the design framework - close to schools, amidst mountain trails and in a Nature reserve of 31 ha. This new developemnet is situated in a biodiversity area.

Choose from the 73 stands situated in this beautiful Nature reserve - Sizes vary from 700 m - 2735 m There is a period of 4 years to build from date of transfer. A Leisure centre will provide a lap pool, gym and games centre for kids.

The connecting road (Helshoogte) carries low traffic volumes and Schools, Stellenbosch University and town centre is within easy reach – no traffic queuing.
