This stylish guesthouse has a warm and friendly ambience, underpinned by understated natural elegance.

This lovingly restored Cape Dutch style Homestead is set on a large corner plot in one of the most sought-after neighbourhoods of Stellenbosch. This property enjoys panoramic views of the surrounding mountains of the Jonkershoek Valley and is within walking distance from schools, University, and the historic town centre. The well renowned Stellenbosch based architect, Hein Visser designed the very successful addition – differentiating between old and new. The layout has a homely character.

The luxurious rooms at Van der Stel Manor feature air conditioning and a private bathroom with bath, shower and bathrobes. Enjoy a cup of tea or a glass of wine from your private patio. Each room has direct access to the pool and rose garden. Watch the sunset and spectacular views from the “top-deck”!

Jan Marais Nature Reserve is 1.4 km away and Jonkershoek Nature Reserve is within 10 minutes drive.

Activities in the area include wine tasting, golfing, hiking and mountain biking.

The property forms part of the Jonkershoek special rating area with 24h security patrol.
