Elegant home with breathtaking views. Bordering on vineyards and overlooking the Stellenbosch mountains lies this pristine property. A home that can entertain seamlessly as many as 50 people at a time. The house was designed to keep the bedrooms very private and to maximise the surrounding views. A hobby room, two solar geysers, a water wise garden, swimming pool, gas and wood braai, pizza oven and wine cellar are few of the features this property has to offer. Outstanding finishes throughout with many luxuries included.
