Come and build your dream home on one of these two fantastic plots that has just been subdivided into plots of 594.5 m² each. The existing house on the plots will be demolished by the current owner at his own expense. However, should you wish to buy both plots and the house and renovate to your hearts desire, this is also an option. These plots are in a lovely tree lined street close to top schools. A truly unique opportunity to customise your home to your lifestyle. Contact me for more information.
